The club has a strict dress code.
Those wearing denim will be turned away.

The 17th Annual Practical Pediatrics Conference

April 5, 2017

THEME: REGIONAL RELATIVES

We look to engage our community partners and showcase some of our regional centres. We have invited speakers from the region to introduce us to their facilities and to our pediatric colleagues. We hope to foster collegiality within the area and present topics of interest to academic general pediatric care providers.

PROGRAM OBJECTIVES

Learn about facilities, programs, teachings and educational opportunities at our regional centres.

Gain up-to-date, evidence based knowledge on key topics related to General Pediatrics including:

- Bronchiolitis
- Failure to thrive
- Neonatal sepsis

Understand current diagnostic criteria, funding structure and resources available to children with Autism Spectrum Disorder.

Develop an approach to management of adolescent menstrual irregularities, contraception options and sexual health needs of teen patients.

Review an approach to tackling challenging cases.

Recognize and enhance the ability to identify a selection of pediatric spot diagnoses.

PROGRAM

8:00-8:45 am	Registration and Breakfast
8:45-9:00 am	Welcome/Introduction Kelly Fitzpatrick/Frank O'Toole
9:00-9:50 am	Niagara - Niagara Health Services Rocio Monroy

PROGRAM FORMAT

Audience participation will be facilitated through the use of touchpad technology. Following best practices in the principles of adult education, participants are encouraged to ask questions in order to enhance their personal development. Each session will include an "orientation" to a regional site. The presentation will be followed by a brief take home message. The format will be informal and is designed to draw on the collective expertise of the participants. Mingling and meeting is strongly encouraged.

HOW TO REGISTER

Registration fees include admission for all sessions, breakfast, lunch and coffee breaks.

Early Bird Pricing
On or before March 3, 2017
\$160

Regular Pricing
After March 3, 2017
